### FRY & RALLY SATURDAY

There will be a political rally, sponsored by Gerald Price, who is candidate for the U. S. House of Representatives, at the J. P. Peterson Auditorium on Saturday, July 28. The rally will include a fish-fry and a public is invited.

### REPORTS AT YOUTH MEETING

The report of the Youth Council of the St. Stanislaus College, Bay St. Louis, Miss., was presented at the meeting of the St. Stanislaus College, Bay St. Louis, Miss., on Thursday, July 26, 1951.

### BLUE JEANS GIVE BARBECUE

The Blue Jeans Garden Club entertained its members at a barbecue on Thursday, July 26, at the home of Mrs. E. Becker in Lakeshore. A delicious luncheon was served under the oak on the Becker lawn. A short business meeting preceded the barbecue.

### Methodist Church Supper Gratifying Success

The chicken-spaghetti supper that was sponsored by the Woman's Guild of the Clermont Harbor Methodist Church was a gratifying success. There were more than one hundred dinners served, besides the report of a complete sell-out of delectable home-made pies.

## Bay Residents Named To 40 & 8 Committees

La Societe des 40 Hommes et Huit Cheveaux, Voiture 251 Mississippi, Gulfport, announced this week the appointment of five Bay St. Louis members on its several committees. Laurent Dickson, past Chef de Gare of the Voiture, was named on the Voiture's important Ways and Means Committee. In addition to that assignment Mr. Dickson serves on the Cheminot, or Executive Committee.

## BOATS AND PLANES FAIL TO FIND BODY, MISSING OVER WEEK

The body of Nicholas Campagno has not been found, despite the almost continuous search of CAP and other volunteer parties. Mr. Campagno was drowned when the boat in which he was fishing with a companion overturned. At the time of the accident the victim was wearing a life belt, but apparently it was of no use to him. The life belt has since been found floating near the scene of the accident, but no trace of the body of the victim has been located, after having been in the water for more than a week.

### Methodist Church Supper Gratifying Success

The chicken-spaghetti supper that was sponsored by the Woman's Guild of the Clermont Harbor Methodist Church was a gratifying success. There were more than one hundred dinners served, besides the report of a complete sell-out of delectable home-made pies.

## Attend Home Week At Mississippi State College July 16 Through 20

Home Week was celebrated at Mississippi State College from July 16, through July 20. Attending from this area were several local ladies who are members of Home Demonstration Clubs in Hancock County.

Led by Miss Madge Allred, County Supervisor; Mrs. J. P. Rousseau, who was voting delegate of the Home Demonstration Council and is president of the Clermont Harbor Home Demonstration Club; Mrs. J. L. Saleeby, Mrs. A. G. Dantagnan, Mrs. Olivia Pitts of Aaron Academy, and Mrs. Ben Peterson left by motor on July 16, to take part in the convention.

Both Mrs. Saleeby and Mrs. Dantagnan placed in the competition, the former winning first prize in the Southern District, and the latter taking third place in the two-piece dress class. More than one hundred and fifty women throughout the state were entered in the contest.

As part of the program the visitors enjoyed tours of the campus, lectures on various subjects interesting to housewives, flower arrangement demonstration and instructions, the dress review with a dance following, Press Day, Rural Church Day and a tea and reception given at the home of the president, Dr. Fred Mitchell and Mrs. Mitchell on the campus.

## JOINS OFFICE FORCE AT COAST ELECTRIC

Miss Pauline Rollings has joined the force at the Coast Electric in the capacity of bookkeeper. Miss Rollings came from the REA from Mississippi Southern where she was assistant professor in the division of Commerce for four years. Miss Rollings is a native of Marshall, Indiana and has been in Bay St. Louis for the past three weeks. She resides at the present time with Miss Louise Crawford at 111 Citizen Street. The young woman said she has been in the South for the past eight years, "and am very fond of it." She is expecting her mother, Mrs. Lenore Rollings to come to Bay St. Louis sometime in September to make her home here, also.

## RENT GOUGING OF SERVICE MEN HIT IN SENATE REPORT

Washington—Many servicemen living with their families near big Army posts are being gouged for sky-high rents to live "amidst appalling filth and indescribable squalor," Senate investigators said last week.

## Arrington's Homefolks Carry On Campaign

Collins, Miss.—The homefolks and neighbors of Jimmy Arrington took over his campaign for Lieutenant Governor when he became ill and was forced to cancel his speaking engagements for a week.

## 2-CAR ACCIDENT ON BRIDGE; MINOR INJURIES

An accident occurred over last week and in which Joseph P. Favre of 310 Webb Avenue suffered cuts and bruises. Mr. Favre was driving a 1948 Dodge which smashed head-on into a 1941 Chevrolet driven by Paul H. Dorst of West Bradenton, Florida. The accident occurred at 4:15 p.m. on Saturday, three quarters of a mile west of the draw on the Bay St. Louis bridge. Damage to the Dodge was listed at \$10 and the Dorst car at \$300.

## LEGION THANKS HI-WAY DRIVE-IN THEATRE

At their regular monthly meeting held last week, members of the Clermont Harbor Legion extended a vote of thanks to Mr. Ed F. Oette and Mr. Norman Benigson and operators of the Highway Drive-In Theatre for their generous contribution of the theatre's facilities for a benefit one night's performance. Entire proceeds after deducting taxes was turned over to the Legion's Public Pier and Sand Beach project.

## Hancock Civilian Defense Council Meeting Set

Because of the fact that the County Primary election will be held on Tuesday, August 7, 1951, the regular monthly meeting of the Hancock County Civilian Defense Council has been set for Monday night, July 20 at 7:30 o'clock. The meeting will be held at the Coast Electric Power Association's building on Highway 90.

Members of the local defense council are: Mayor, Warren Carver, director; Waveland's Mayor Garfield Ladner, vice-chairman; A. C. Mitchell, Clerk of Courts; Secretary-treasurer; E. P. Oette, Supervisor; Sheriff B. D. Johnson; Tax Assessor Claiborne Ladner; Superintendent of Education E. E. Breland; and H. H. Shattuck, Mgr., Coast Electric Power Association.

## YOUTH CENTER NEARS FUND GOAL, \$25 SHORT

Mrs. Sam Whitfield has reported that the Youth Center has very nearly reached its goal of \$1000 that it is seeking in order to continue operation. Approximately \$25 is needed to complete the amount, up as necessary for the forth-coming year's expenses. Mrs. Whitfield feels confident that this amount will be forwarded by some civic-minded individual before the deadline on August 1st.

The committee is in process of making plans to budget next year's funds and to try to open the center two nights a week instead of one. The Youth Center has been of great aid in helping to bring the young people of our community and in keeping them occupied in wholesome pastime and citizens are urged to assist in keeping this project in operation by supporting it.

## MRS. M. T. LOHR, 82, DIES IN NEW ORLEANS

Mrs. M. T. Lohr, mother of Mrs. Louis Moreau of 132 Court Street, Bay St. Louis, and Mrs. Rena Karrison of 135 Sears Avenue, in Waveland, died last week after being taken to New Orleans by ambulance.

Mrs. Lohr was in her 82nd year and resided at 5011 Perrier Street in New Orleans. Services were held on Saturday, July 21, in the St. Stephens Catholic Church with a requiem mass. Interment was in St. Vincent dePaul cemetery. Other survivors include Mrs. Henry Holzhenthal, Mrs. Dean Rhyme and one son, Thomas Lohr, all of New Orleans.

## HEART ATTACKS STRIKE TWO VICTIMS HERE LAST WEEK

On two co-incidental occasions, visitors to this area were stricken with heart attacks last week end. Mrs. Agnes Schroeder, aged 62, of New Orleans, died in Bay St. Louis on Sunday while being rushed to King's Daughters Hospital.

Mrs. Schroeder was visiting a son-in-law and daughter, Mr. and Mrs. Jos. Deedee in Clermont Harbor and was in swimming when she was taken ill. Upon arrival at the hospital the victim was pronounced dead. The body was removed to New Orleans for burial.

Mr. John Palmisano, of New Orleans, died of a heart attack on Monday, July 23. He, too, was swimming at Waveland when he was taken ill. The King's Daughters Hospital was notified by an unidentified person and an ambulance was summoned, but before the hospital was reached, Mr. Palmisano was found to be dead. The body was taken to New Orleans for burial.

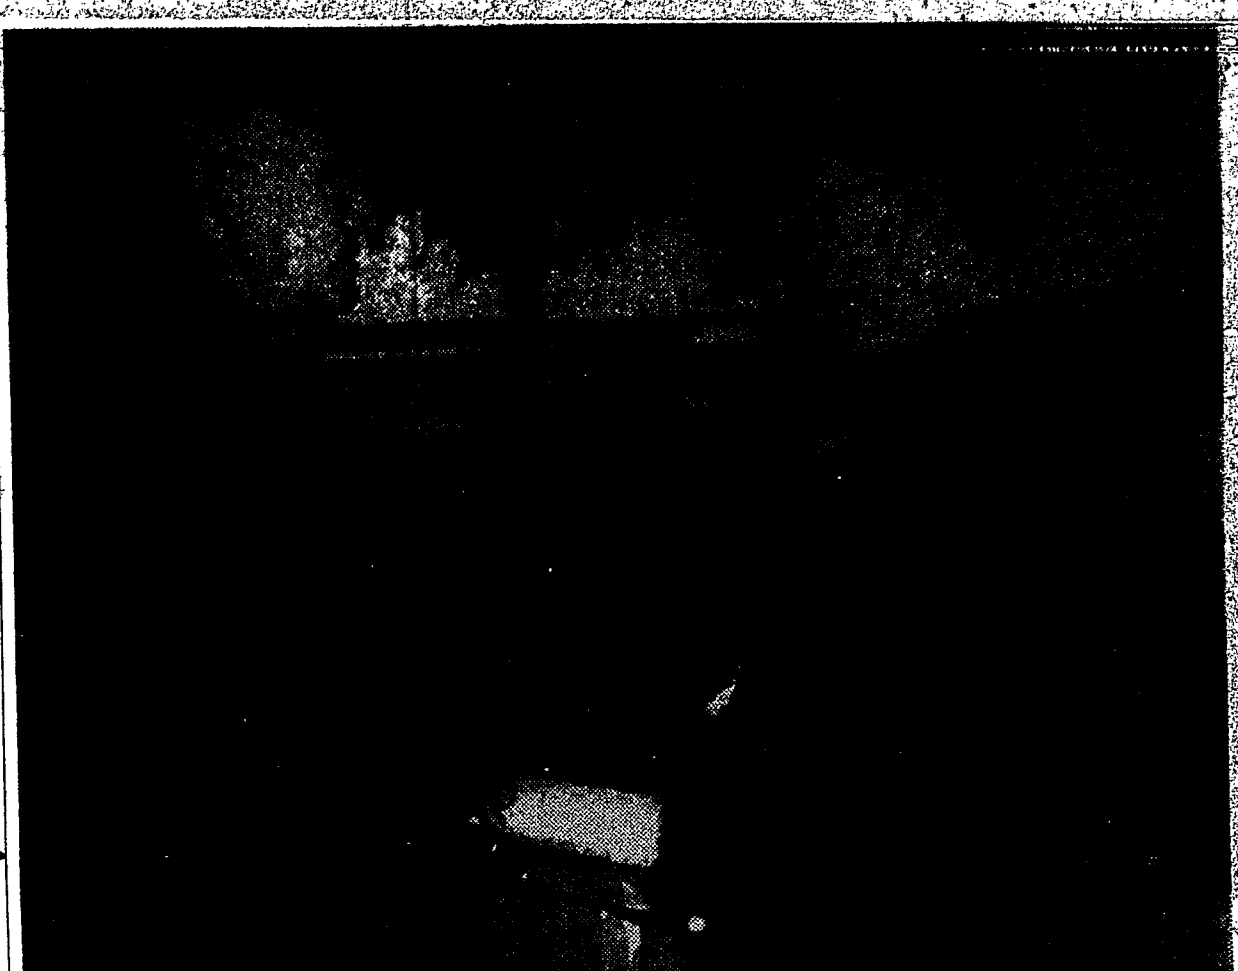

Palmisano and his wife had been visiting Mrs. Palmisano's sister at the time of the death.

## 2-CAR ACCIDENT ON BRIDGE; MINOR INJURIES

An accident occurred over last week and in which Joseph P. Favre of 310 Webb Avenue suffered cuts and bruises. Mr. Favre was driving a 1948 Dodge which smashed head-on into a 1941 Chevrolet driven by Paul H. Dorst of West Bradenton, Florida. The accident occurred at 4:15 p.m. on Saturday, three quarters of a mile west of the draw on the Bay St. Louis bridge. Damage to the Dodge was listed at \$10 and the Dorst car at \$300.

## LEGION THANKS HI-WAY DRIVE-IN THEATRE

At their regular monthly meeting held last week, members of the Clermont Harbor Legion extended a vote of thanks to Mr. Ed F. Oette and Mr. Norman Benigson and operators of the Highway Drive-In Theatre for their generous contribution of the theatre's facilities for a benefit one night's performance. Entire proceeds after deducting taxes was turned over to the Legion's Public Pier and Sand Beach project.

## Bay-Waveland Yacht Club to Feature Celestine's Band, Friday, August 17

Residents of the Bay-Waveland-Clermont Harbor-Lakeshore area are in for a wonderful treat on the evening of Friday, August 17, when Papa Celestine and his band will play at the Bay-Waveland Yacht Club, under the auspices of the Women's Auxiliary.

Papa Celestine's fame is world-wide; not only does he attract record crowds wherever he goes, but no one of any importance ever comes to New Orleans without spending at least one evening listening to one of the world's greatest exponents of jazz.

Whether you want to dance, or just sit around on the cool wide porches of the Club and listen to music which has already made history, be sure to be at the YC on the 17th. Admission is \$2.00 a couple and the general public is invited. This is not limited to members of the Yacht Club, so tell your friends and neighbors, arrange to come alone, in couples or groups, and assure yourself of an evening that you will not soon forget.

## HEART ATTACKS STRIKE TWO VICTIMS HERE LAST WEEK

On two co-incidental occasions, visitors to this area were stricken with heart attacks last week end. Mrs. Agnes Schroeder, aged 62, of New Orleans, died in Bay St. Louis on Sunday while being rushed to King's Daughters Hospital.

Mrs. Schroeder was visiting a son-in-law and daughter, Mr. and Mrs. Jos. Deedee in Clermont Harbor and was in swimming when she was taken ill. Upon arrival at the hospital the victim was pronounced dead. The body was removed to New Orleans for burial.

Mr. John Palmisano, of New Orleans, died of a heart attack on Monday, July 23. He, too, was swimming at Waveland when he was taken ill. The King's Daughters Hospital was notified by an unidentified person and an ambulance was summoned, but before the hospital was reached, Mr. Palmisano was found to be dead. The body was taken to New Orleans for burial.

Palmisano and his wife had been visiting Mrs. Palmisano's sister at the time of the death.

## 2-CAR ACCIDENT ON BRIDGE; MINOR INJURIES

An accident occurred over last week and in which Joseph P. Favre of 310 Webb Avenue suffered cuts and bruises. Mr. Favre was driving a 1948 Dodge which smashed head-on into a 1941 Chevrolet driven by Paul H. Dorst of West Bradenton, Florida. The accident occurred at 4:15 p.m. on Saturday, three quarters of a mile west of the draw on the Bay St. Louis bridge. Damage to the Dodge was listed at \$10 and the Dorst car at \$300.

Oette and Mr. Norman Benigson and operators of the Highway Drive-In Theatre for their generous contribution of the theatre's facilities for a benefit one night's performance. Entire proceeds after deducting taxes was turned over to the Legion's Public Pier and Sand Beach project.

## CLERMONT CIVIC ASS'N ELECTS OFFICERS

The Clermont Harbor Civic Association held a meeting and election of officers on Saturday, July 21, at the Clermont Harbor School.

Charles Burgdorff was elected president; W. W. Smith, vice-president; J. L. Saleeby, re-elected treasurer, and D. E. Wilcox re-elected secretary. Discussion of the black-topping of the streets was the major topic and it was decided to offer a \$50 reward to anyone reporting damage to or destruction of any part of the community pier. It has been noted that vandals have been literally tearing the boards from the pier and otherwise attempting to destroy it. Anyone noting such practices will please report it to any one of the officers of the Association. Parents are asked to cooperate in instructing teen-aged boys to please refrain from causing any damage to the pier.

It was reported that a few remaining property-holders have not submitted their pro-rata for the black-topping of the streets. Each is urged to do so as promptly as possible. Residents of Forest Street and of Bordages Street are enjoying the convenience of the work that has been employed to grade the streets Tuesday, July 24, quickly followed by a layer of slag. The next step will be the coating of black-topping which will complete these two streets. D. E. Wilcox, former president of the Civic Association stated that with weather permitting, the remaining work will take about two more weeks until completion. Please send in your funds so that work may go on uninterrupted.

## U.S. CIVIL SERVICE ANNOUNCEMENT

The Board of US Civil Service Examiners, Corps of Engineers, Department of the Army, Mobile District, Mobile, Alabama, announces competitive examinations for indefinite appointments to the positions of Engineering Aide (Various Options) GS-1, \$2200 to GS-7 \$3825 per annum and Draftsman (Various Options) GS-1, \$2200 to GS-7, \$3825 per annum. Further information regarding qualifications, etc., and necessary application forms may be obtained from first or second-class post office at the Mobile Engineer District Office, 2301 Grant St., Mobile, Alabama, and applications should be submitted to the Board of US Civil Service Examiners, Mobile Engineer District, Corps of Engineers, Mobile, Alabama.

## Casting for "Abie's Irish Rose" Nearly Completed; Production for August

The Bay St. Louis Little Theatre is well under way with its fourth summer production, "Abie's Irish Rose," with an almost full cast and Philip Allison in the director's seat. In addition to Walker Spangenberg as "Abie" and Mary Lynn Raymond as "Rosemary", Joseph Huber, a guest player from the Gulfport Little Theatre will do the role of "Solomon Levy". Mr. Huber will be accompanied by Mrs. Huber for the part of "Mrs. Rose".

The play is being looked forward to with the same interest which has been displayed by former productions. The public has been especially interested in the fine performance of "Abie's Irish Rose" and "The Late Christopher Bean". The play is being looked forward to with the same interest which has been displayed by former productions. The public has been especially interested in the fine performance of "Abie's Irish Rose" and "The Late Christopher Bean".

**PASSING OF AN INSTITUTION**

This writer was both disappointed and saddened this week when told the news that St. Stanislaus Day School, affectionately known by all as "Rip's University," would not reopen for the coming school session. There has hardly been a boy within the last three quarters of a century, reared in Bay St. Louis, who has not at some time during his school life attended this school.

Many of our prominent residents, active in the civic and political affairs of our city and county, today received part, and in some cases, all of their educational training at this school, and they with many others will regret its passing.

This school has actually become an institution in Bay St. Louis and if at all possible, we and everyone else would like to see it continued.

There is also another side to this story, and that is that although there are, among its pupils, rich and poor alike, there are many who would not be able to attend a Catholic school were it not for this free institution, and they will be forced to go elsewhere.

It has always been our hope that the old present building now being used and which has been in use for the last half century or more would some day be replaced by a new and modern structure, but in view of the present plans that is out, too.

We can only say that we hope the Brothers of the Sacred Heart will see fit to change their decision in the near future, in favor of reopening this grand old school, of which we are all so proud.

**WAVELAND WANDERINGS**

By  
 Mrs. Georgette Hall

Non-denominational church services began Wednesday evening, July 25 at 7:30 o'clock in the big tent opposite the Waveland Food Store on Waveland Avenue. Services are conducted by E. P. Meschkat of Houston, Texas, who has been preaching in Lakeshore.

Services will continue for about six weeks and will be held on Wednesday, Friday, Saturday and Sunday evenings. The general public is invited to attend.

Friday and Saturday nights were busy ones for Wavelandites and the surrounding town folks who attended the Petrolene Show and the political rally held, respectively, on these two nights. Mrs. Vital Bourgeois, who was in charge of the Petrolene Talent Party, sponsored for the benefit of Mississippi Crippled Children, states that the show was very successful and well attended. Several private donations have yet to be given to her and she hopes to have a final report of the proceeds by next week. This money will then be turned over to the National Society in Jackson, Miss. The Petrolene Company furnished some of the music, presenting a well trained group of musicians who are featured on radio station WWZZ, a New Orleans network. Many and varied acts featuring local talent were presented. Winners were selected by audience applause. Two acts tied for first place and were presented with the Petrolene first prize trophies. Winners were Norvin Kelly and his 4-X Ramblers, and Paul Parker, of Delisle, Miss.

Mrs. Bourgeois wishes to extend her thanks to the Sisters of St. Joseph's Academy for the use of their chairs, and to the ladies of the Waveland School lunch room for the use of the benches and tables which were used for serving. Special thanks is extended to Mr. Ed P. Ortte for the use of his building which made the show possible. Thanks is also extended to all of the ladies who helped serve and to those generous friends who donated food and drink.

Following the show, prizes were awarded to those folks holding lucky numbers. The first prize, a set of silver, was won by Miss Ida May Beulah of Bay St. Louis; second silver set was won by Anthony Bourgeois; third prize, a radio, went to Wallace Bourgeois. Young Vital Bourgeois, Jr., son of Mr. and Mrs. Vital Bourgeois, was awarded a beautiful new bicycle by the Petrolene Company for selling the most tickets to the show. Special praise goes to Mrs. Vital Bourgeois whose unceasing efforts made the entire venture possible and successful.

Mrs. Dolores Johnston has announced the marriage of her daughter, Gertrude, to Cpl. Jack Toomey, of Waveland. The young couple were married June 16 in St. Claire's Catholic Church with Rev. Costello officiating. At the present time the young couple are making their home at Fort Beckingridge, Kentucky, where the groom is stationed with forces of the US Army. Gertrude recently graduated from Bay High School and formerly attended Waveland School where she was an honor student and May Queen.

Mrs. Joseph Caro spent a week with her parents, Mr. and Mrs. Vital Bourgeois in their home on St. Joseph's St.

Enterprising young Bob Hubbard was forced to close his snowball stand adjoining the Waveland Drug Store this week when a car accidentally accelerated by a three year old plowed across the sidewalk and into Bob's place of business. Fortunately for Bob, business was slack at this crucial moment and he was sitting near-by, out of danger. The stand, however, was demolished and while repairs are being made Bob is relaxing, none the worse for the ordeal. In a day or so, however, he'll be back in business, all smiles, and asking you—"What flavor please?"

Miss Evelyn Bruin, and Misses Nichols and Peck, teachers of the McDonogh 28 School in New Orleans, have just returned to New Orleans after spending a most enjoyable vacation period in Waveland.

Miss Marie Sassagne, Desk Sgt. in the record room of the New Orleans Police Department headquarters is a guest of Mr. and Mrs. Ed Gipsom. Others visiting the Gipsoms are Mrs. Jack McGown, and her three daughters, Louise, Marilyn and Kathleen.

**Getting Our Copy**

By SAM SUMMERLIN  
 AP Correspondent

Munsan, Korea—The Korean war has cut off a major source of news, and when it comes to getting out the daily story.

About the clock, US and other United Nations correspondents covering the Korean war statistics talk struggle to get the news to the outside world.

Quite regularly, hot copy grows cold as Korea's few telephones break down, the teletype circuits go on the blink, jeeps have flat tires, planes are grounded by bad weather.

In the past few days, such communications breakdowns have kept some Kaesong stories in Korea for more than 12 hours before newsmen succeeded in getting their copy to Tokyo for round-the-world distribution.

The communications troubles are nothing new to Allied correspondents in Korea. They have been battling them ever since the war began more than a year ago.

But, here, the problem is magnified. More than 100 UN photographers and writers have converged on this peace camp.

Prior to the armistice negotiations, the UN Press output between Seoul and Tokyo was about 30,000 words. Now the daily average is 150,000 words a day.

Stories written on the special press train, which rests on a siding near the advance camp, are funneled into Seoul, there, censors scrutinize every line.

The bulk of the press copy is relayed by telephone, teletype or air courier to the Tokyo offices of the wire services, newspapers, magazines, broadcasting companies and other news media.

These offices then handle further relay to the United States, generally by commercial wireless or radio teletype.

Every day, 20 UN photographers and reporters journey by truck to Kaesong. They frequently write stories at the conference site, but must hold their copy until they return to Munsan in the late afternoon. Communications facilities at Kaesong.

Only the military can use the wire service, to get out the copy.

Reporters wait in jeeps at the Imjin river boundary north of the base camp. When the correspondents' truck from Kaesong reaches the Munsan side of the river, the newsmen aboard toss their copy into the waiting hands of colleagues who dash off in jeeps.

There is only one telephone line to Seoul from the press train. Everything sent over this phone must be "pooled" and made available to all news services.

To get exclusive stories to Seoul correspondents scour the area for Army phones. Invariably they have to go through at least five separate exchanges to reach Seoul and the chances always are 100 to one that one of these will be busy or out of order.

The surest but roughest means of getting the stories to Seoul is by jeep. Every day, correspondents race over bumpy, dusty roads, a trip which takes at least 10 hours.

Other copy such as feature stories usually goes by jeep and helicopter provided by the combined Army, Navy, Marines and Air Force public information office.

—Daily Herald

**FUTURE FARMERS FROM LOWMEDES ON WASHINGTON VISIT**

A group of 47 farm boys from Lowmedes County, Mississippi leave Friday for home after a visit in Washington which featured a first hand look at Congress in action. Traveling in two school buses, the group of Future Farmers of America are on an 18-day tour. They are led by Tom Ellis. En route to Washington they visited Louisville, Nashville, Detroit, Niagara Falls and New York. On the way home they will stop at Roanoke, Ashville, and Chattanooga.

They will remain in Waveland about two weeks.

Regular Sunday guests of the Gipsoms, Mr. and Mrs. Sam Colino, drove over again this week. They were accompanied by Mr. and Mrs. Joe Landry of New Orleans.

Mr. Lee Terrell has just returned from Gilbert, West Virginia, where he was summoned because of the death of his mother, Mrs. Lulu Terrell. Sympathy is extended to the family and friends of the deceased.

**Ortte Answers The Editorials In Last Week's Echo**

BY THE EDITOR UNDER THE CAPTION OF  
 "EXPERIENCED — CAPABLE — PROGRESSIVE"

and The Title of This Is:

**"WHAT A CAPABLE FIGURE TWISTER CAN DO WITH FIGURES"**

It is easy to twist figures and make it appear as though a serious error had been made by an Administrative office and it is as easy to take one figure in an Auditor's Report and ignore the other data, so the purpose of this article is to compare the amount of \$4412.88 spent by the Board of Supervisors in District No. Five with the criticism of my opponent in his trying to win votes on that item. The attempt is there made to discredit me as member of the Board of Supervisors. This amount of approximately Four Thousand Dollars spent on the roads in District No. 5 was admittedly spent on the roads in District No. 5 as the funds for road repair in this District has always been a serious problem, especially since the hurricane.

The critic failed miserably to show or state that it was through my economic business method for the benefit of the tax payers that the road behind the seawall, which was estimated damaged to the extent of a half million dollars, was largely restored in Bay St. Louis, Waveland, and in the County, all out of the General Funds of the County, WITHOUT ANY BOND ISSUE AND WITHOUT ANY INCREASE IN TAXATION. The Seawall Fund was depleted in 1947 and 1948 to the extent of \$10,783.31, all of the \$40,823.38 that the Red Cross was expected to reimburse the county as advised by the clerk never materialized, and was paid out of the Seawall Fund for those hurricane years and it took the revenue of 1948, 1949 and 1950 to make up the deficit spent for hurricane damage. Hence, in those years of 1948, 1949 and 1950, the Fifth Road District Fund was taking care of the Road behind the Seawall, and at the same time, all other County Roads in District Five. This my opponent failed to mention, and certainly I could hardly expect my opponent to flatter me, but those are the facts, opponent or critic notwithstanding.

What little was left in the Seawall Fund was used along with other money out of the Road and Bridge Fund to repair and reconstruct sections on the Beach Road. So when the Critic states, in one section of his editorial, that the amount spent last year did not include the expenditures on the SEA WALL, he did a little fancy twisting when he used the term SEA WALL, as he knew very well that a large portion of this \$30,000.00 spent last year out of the Road and Bridge Fund, went to repair the road adjoining the SEA WALL.

Another nice twisting of figures was shown in one section of his editorial, when he stated, each of the Supervisors' Districts having \$10,833.03 from the Gasoline Taxes. He would have you believe by twisting of these figures, that each Supervisor's District received ONE HUNDRED AND EIGHT THOUSAND AND THREE HUNDRED AND THIRTY-THREE DOLLARS AND THREE CENTS, instead of \$10,833.03. This makes quite a difference, don't you think?

You will also note by referring back to the Critic's editorial of July 20th that the income to the County from Gasoline Tax, Trucks, Busses and Automobile Privilege Licenses was:

1928	\$75,449.80	1934	56,928.98	1940	90,103.61	1946	145,055.68
1929	80,951.68	1935	61,873.87	1941	95,816.96	1947	170,062.54
1930	68,811.92	1936	69,720.00	1942	98,598.29	1948	174,491.01
1931	60,209.93	1937	82,421.73	1943	80,286.73	1949	179,055.40
1932	54,641.57	1938	88,875.03	1944	83,543.05	1950	203,332.59
1933	53,252.46	1939	90,278.99	1945	96,792.71		

It is very noticeable of the TREMENDOUS INCREASE which took place from 1946 thru 1950, in the amount of Funds recorded on the Court House Records. The sudden increase from \$96,792.71 in 1945 to \$145,055.68 may have just been an ACCIDENT, but the records show that it actually happened.

It must be remembered that it was in the latter part of 1945, when ORTTE and two of the other Supervisors took over the operations of the County affairs. until that time I was treated like a disowned child, as far as the operations of the County were concerned. I was ignored and had only a minor voice on the Board. Very little business was ever transacted at some of the Board meeting in my presence, yet when the minutes were written they showed that a large amount of important business had been transacted at these same meetings.

In the latter part of 1945 Hancock County started on its upward jump, as these large amounts appeared on the records. They GREW AND GREW AND ARE STILL GROWING. We might term this as coincidental. Funny things happen in Hancock County. But you will remember that from the latter part of 1945 the County began its upward climb, that was when the ROAD CONTRACT was broken and the Board Members began repairing and rebuilding their own roads and bridges and took over the operations of the County under the Supervision of the rightful direction of the Board of Supervisors.

Yes the County was moving forward very rapidly. The Board had made wonderful future plans such as Hard Surfacing all of the Roads, Building of a Sand Beach and Large Public Pier, and Hospital, but all of these ideas temporarily blew up in the 1947 hurricane. And even though this hurricane has hampered the progress of this progressive operation, it merely served to slow up the work, as the records will show this Administration picked up momentum as it again moved forward at a rapid pace.

So as quoted before, MY RECORD IS MY PLATFORM. I refer to the 11½ years I have served you as YOUR SUPERVISOR OF BEAT 5. The first 6 years was a hard struggle against a mighty political organization. My fight through these years was to assert my rights and recognition on the Board, and to oppose all that was unfair and irregular, but I am even more proud of my record beginning the latter part of 1945 up through the present date. This record, I set before you as my reasons for believing that you should VOTE AND SUPPORT ME so that I may be your REPRESENTATIVE ON THE BOARD for another term.

Sincerely your friend

**ED P. ORTTE**  
 Candidate For Re-election

**SUPERVISOR — BEAT 5**

Efficient — Progressive — Honest — Independent

ELECT A BUSINESS MAN

FOR A BUSINESS JOB!

I will, with all sincerity, do what I can for the people of Beat 5. I will try to have installed a County road between Bay St. Louis and Waveland. I will cooperate with the Legion and the Fourth, I advocate the improvement of the roads of Beat 5.

other producers, too—to be sure there's a dependable supply for all our customers, now and in the future.

THERE'S PLENTY FOR YOU AND INDUSTRY, TOO

**UNITED OIL ... Gulf South**

### IN DEMAND IN CASHING CHECKS

A word of advice for merchants who are cashing checks was issued recently by Marvin Foxworth, chairman of the Merchants' Committee of the Gulfport Chamber of Commerce. He urged the following precautions when cashing or accepting checks:

"Do not be afraid to ask questions about the check you are asked to cash; never cash a check for a stranger unless positive identification is established; insist on local references and check them carefully; do not rely on lodge cards, social security cards, automobile licenses or letters of reference from out-of-town firms as positive identification.

"Remember that the check-passer always works fast, to take your time and investigate each check presented; do not cash pay checks or any other checks out of business or banking hours or on Saturdays or holidays without investigation; do not cash checks that show any alteration; always demand that the person presenting the check endorse it in your presence, even if the check has been endorsed by him once."

### MISSISSIPPI-LOUISIANA TEACHERS IN ON MEDICAL FUND

New York—Mississippi and Louisiana are represented among recipients of two and a quarter million dollars to young college teachers and to the nation's 79 accredited medical schools.

The fund for the advancement of education, set up by Ford Foundation, announced the award of 250 faculty fellowships for the coming year. The fellowships amount to \$1,096,871 in addition to travel and tuition costs.

The national fund for medical education, provided through the American Medical Education Foundation, awarded \$1,132,500.

S. Sloan Colt, president of the fund, said each of the 72 four-year accredited medical schools would receive \$15,000 and each of the seven two-year accredited basic medical science schools would receive \$7,500.

Purpose of the medical grants is to relieve the critical financial situation among medical schools. The fellowships are designed to enable younger faculty members to improve their competence in under-graduate teaching.

Northeast Mississippi's industrial trend quickened over the week end when Babcock & Wilcox Co., selected West Point for the site of its \$2,500,000 plant to manufacture steam boiler parts for power generators. To continue this marked trend, the North Mississippi Industrial Development Association, supported by 14 area electric power associations, has been set up. Present and proposed industrial plants would add about 2000 workers to Northeast Mississippi pay rolls.

### BIG MARIJUANA FIELD FOUND IN LOUISIANA FARM

Franklin, La.—Chief Federal Narcotics Agent Thomas McGuire, New Orleans, inspected the "million dollar" field of marijuana that sheriff's deputies found last week hidden between willow trees and a corn field.

McGuire and Chief Deputy Sheriff J. E. Shaw of St. Mary's Parish visited the field and questioned a negro tenant farmer who cultivated the narcotic weed.

Officers discovered the contraband crop near Baldwin, in South Louisiana. Some of the marijuana stalks were 14 feet tall, officers said.

Chief Deputy Sheriff Shaw of St. Mary Parish estimated the crop would have yielded more than 1,000,000 cigarettes, which retail in the illicit market at \$1 each.

No charges were filed immediately, pending arrival of federal narcotics agents.

Shaw said an investigation was started in the wake of reports that pupils in some negro schools all the way from South Central Louisiana to East Texas were smoking marijuana cigarettes.

### DISABLE AMENDMENT CONTROL

Washington—House Speaker Michael V. Duffile told Congress that the "cost-plus-guaranteed-profit" amendment accepted by the House would "destroy the entire price-control program."

In a letter to Chairman Duffile of the House Banking Committee, Duffile said the amendment would:

1. Cost consumers billions of dollars.
2. Immediately boost virtually all food prices at once.
3. Make practically impossible the administration of rationing.

"At the same time the amendment would unnecessarily guarantee for manufacturers and processors excess profits substantially higher than the highest

profits ever recorded by American industry," Duffile declared.

Republicans who supported the amendment have denied this. They say that inflation can't be beaten unless reasonable profits are secured.

Duffile asserted that there are not enough resources in the world to determine goods that every consumer would obtain a profit on every food price be based upon parity even now and then.

## "Light...neighbor, and hitch"

Homely, all but forgotten words of welcome that were a regular Mississippi greeting a half century ago. And yet that same characteristic, traditional spirit of Mississippi hospitality is a major reason for the rapid development today of industry in general and the oil industry in particular within our state.

In the action-packed, eventful years since oil was discovered in 1939 a young industry has grown to important stature. Today more than 1650 producing wells and two refineries are contributing wealth to the economy of the state. Today more than \$15,000,000 is being distributed annually to the 5,000 men and women on the oil and gas industry's payroll. Today the industry is paying \$10,000,000 a year in state and local taxes. Tiptop the expansion and development program, costly as it is, surges ahead without pause.

This record of achievement would never have been written had it not been for the cooperative attitude of the people of Mississippi toward an industry which has invested multiplied millions of dollars in developing our mineral resources.

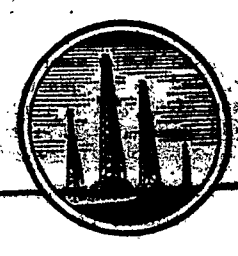

Mississippi said to its oil and gas industry—"Light, neighbor, and hitch," and this cordial welcome has come back in the form of more jobs, more payrolls, more tax revenue and increased prosperity for everyone.

Mississippi is paying \$10,000,000 a year in state and local taxes. Tiptop the expansion and development program, costly as it is, surges ahead without pause.

This record of achievement would never have been written had it not been for the cooperative attitude of the people of Mississippi toward an industry which has invested multiplied millions of dollars in developing our mineral resources.

Mississippi said to its oil and gas industry—"Light, neighbor, and hitch," and this cordial welcome has come back in the form of more jobs, more payrolls, more tax revenue and increased prosperity for everyone.

# How much of "TOMORROW" would you like TODAY?

- 1 180 HORSEPOWER**...here today, not "coming sometime!" Chrysler FirePower owners today have the most powerful engine ever put in an American passenger car... and enjoy incomparable performance on non-premium grade fuel besides!
- 2 HYDRAGUIDE POWER STEERING**... now for the first time in any American passenger car! Automatic hydraulic power now gives steering ease, safety and car control under all conditions such as you never felt before!
- 3 POWER BRAKING**... not "in the laboratory stage" but under your toe right now! Regular equipment on all Chrysler New Yorkers, Imperials, and extra-wheelbase Windsor models. Power braking assures smoother, safer braking.
- 4 HEMISPHERICAL COMBUSTION CHAMBERS**... On the left you see the Chrysler engineering reason why no engine in any other American passenger car today can match FirePower's fuel efficiency or its 180 horsepower performance... Plus new Onflow Ride-Control... Waterproof Ignition... Safety Rim Wheels... Cyclebond Brake Linings... Ignition Key Starting... Come see and feel for yourself how much that other cars may have "some day" you can have now in Chrysler! See it and drive it.

RESTARICK INFANT  
BAPTIZED

The infant son of Mr. and Mrs. Henry Restarick of Honolulu, who are now residing in Toledo, Ohio, was baptized on Friday-afternoon at the Church of the Redeemer in Biloxi. The Rev. Edward DeMiller performed the christening service. The sponsors were Colonel Marcel Gillis, Allen H. Renton of Honolulu, and Miss Joan Mortimer.

The baby, christened David Gillis Restarick, is the grandson of Colonel and Mrs. Marcel Gillis of Waveland, Miss., and of Mrs. Allen Renton of Honolulu. He is the great-grandson of Mrs. Densel Cuffery and of Mrs. Lucille B. Gillis, both of New Orleans, and great-grandson of Bishop Henry Bond Restarick, First American Bishop of Honolulu, T. H.

Their presence in the mountain country, however, only succeeds in rekindling the smouldering flame of a long-existing feud between the McCoy and the Winfields.

Abbott and Costello take full advantage of the laugh opportunities which present themselves in "Comin' Round the Mountain" and the new comedy emerges as the team's best rib-tickling effort to date.

"Miss Korea 1951" May  
Become Steaks & Roasts

Tokyo—"Miss Korea 1951" is the only female with the Fifth Cavalry Regiment in Korea. She has caused no end of communications snarls.

Things got so bad that Pfc. Norman Bates, Weber City, Utah, lineman, wrote the mess sergeant: "When are we having steak? Miss Korea's available."

Miss Korea—a cow—likes to top off a dinner of grass with a few yards of telephone wire.

Loft Makes  
The 40th  
Century Office

Please let me express my profound appreciation to the good people of the District for the support shown in me for this important office.

The 7th day of August is near. Let me take this chance of asking one and all for your valued support. I hope you can appreciate the fact that it is impossible to see everyone in person.

I believe with the almost 12 years of experience in public life and in an official capacity, I can best serve you as State Senator. My friends, I am very bedridden to represent you in the highest law-making body in the great State of Mississippi. I have but one promise to make you, and that is to have a part in seeing Mississippi go forward in the industrial manner which she has made much progress. I am interested in the natural resources of our State, I am at a loss to know why we can not have fisheries in Mississippi to refine our vast amount of gas and oil we have. I am vitally interested in the progress the South Mississippi has made in timber growing, cattle raising, tung oil and dairy industry. You people are to be commended.

I would like to have a part in seeing the old people of Mississippi get at least \$40,000 per month with no strings attached. I say the old people are entitled to a compensation and in no way have to qualify for it. And, at the same time, give Mississippi one of the largest pay rolls in its history. I would like to have a part in seeing more highway money used in building farm-to-market roads, always better roads.

I would like to have a part in doing something out-standing for the Veterans. I want to make it possible for the boys eighteen years of age to be allowed to vote. If they are old enough to go to war and fight, I think they should have a say in who their officials are. My friends, I believe I am going to be you Senator, so I will pledge to you at all times that I will stand only for those principles I think to be honest, christian, moral, faithful, courteous and efficient. If I am elected your Senator, I will at all times be available to talk our problems over, for after all, I must have your help to make you a Senator.

My friends, if you do not know me, I ask you to call or see the people in my town and county and ask about me. I am for any and every thing that will make Mississippi progress and be out-standing.

I will appreciate your vote and help on the 7th of August.
